The Spa of Santo Maris Oia Luxury Suites & Spa is nominated as Best Greek Resort Spa for 2017 at the World Spa Awards

With a longstanding tradition in the hospitality sector as part of the Metaxas Group of Companies, the Spa of Santo Maris Oia Luxury and Suites & Spa has been nominated in the category “Greece’s Best Resort Spa for 2017” at the prestigious World Spa Awards.

Being shortlisted among the best Resort Spas in Greece is in itself an honorable distinction. At the same time, however, given that the awards program stands as a benchmark for excellence, the nomination is also a recognition and a reward for the high-quality services on offer and for the Spa’s remarkable facilities.

The nomination confirms that even though the newly built Santo Maris Oia Luxury Suites & Spa has been in operation for only two years, its 300 sq.m. Spa is already regarded as one of the best in Santorini, thanks to the wide range and the unique quality of treatments, therapies and wellness services on offer.

The Spa of Santo Maris Oia reflects the hotel’s philosophy of personalized services rooted on the ideals of genuine Cretan hospitality and of the promotion of Greek concepts and products, as most of the treatments, techniques & ingredients are inspired by the Aegean Islands and Crete.
