

PRESS RELEASE
April 2017

Santo Maris Oia Luxury Suites & Spa Opens its doors again with renewed facilities and services

On **Monday, April 10**, Santo Maris Oia Luxury Suites & Spa will open its doors for the second year, highlighting the beginning of its operation for 2017 season. Aiming at the best services provision and the promotion of the Greek tourism product to its guests, the hotel will open with a **renewed decoration, new culinary philosophy, more accommodation options** and having acquired **more certifications**.

After one year of operation the Metaxas Group of Companies' Hotel in Santorini, continues to evolve both all the services offered and the facilities of the hotel. Thus, starting from this year, the hotel's guests will have the chance to enjoy the **renewed decoration of Alios Ilios** restaurant combined with its **new philosophy**. The brand-new menu will present flavors from Crete and Cyclades, combining the purest and most famous dishes of each region, as the Cretan "apaki" and the Cycladic Santorinian "fava", resulting in the emergence of the gastronomic wealth of Greece and the indissoluble relationship that Santo Maris Oia Luxury Suites & Spa has with the island of Crete.

Moreover, in 2017, Santo Maris Oia Luxury Suites & Spa will continue to offer cutting-edge services, for which it was awarded in 2016 with the **Award of Excellence** of total score **9.3 points** by **Booking.com** and was certified with "**We do local**", "**Greek Breakfast**" and the **ELOT En ISO 22000** standard. The hotel will continue to operate with respect to Santorini, its culinary traditions, its employees, the sustainability of the island, its customs and traditions, but most of all in view of its guests' health and needs.

Lastly, the addition of the new room types, Junior Deluxe Suite Sunset & Sea View, Deluxe Suite Sunset & Sea View and Suite Pool Front, will ensure even greater variety of accommodation options, and will be the ideal choice for honeymooners, as they are located in the most privileged locations of

the hotel, offering privacy and breathtaking views of the famous Santorini sunset.

Santo Maris Oia Luxury Suites & Spa belongs to Metaxas' Group of Companies, which operates in Santorini since 1987, and financially supports various projects of the island. An example of its support is the contribution of a substantial amount of money for the purchase of land, which today houses the new hospital of the island.
