**Santo Maris Oia Luxury Suites & Spa,
the First Certified “Boutique Hotel” in Greece
by the Hellenic Chamber of Hotels**

Santo Maris Oia Luxury Suites & Spa is now the **first officially certified “Boutique Hotel” in Greece**, based on the demanding standards of the “Boutique Hotel” classification inaugurated by the Hellenic Chamber of Hotels.

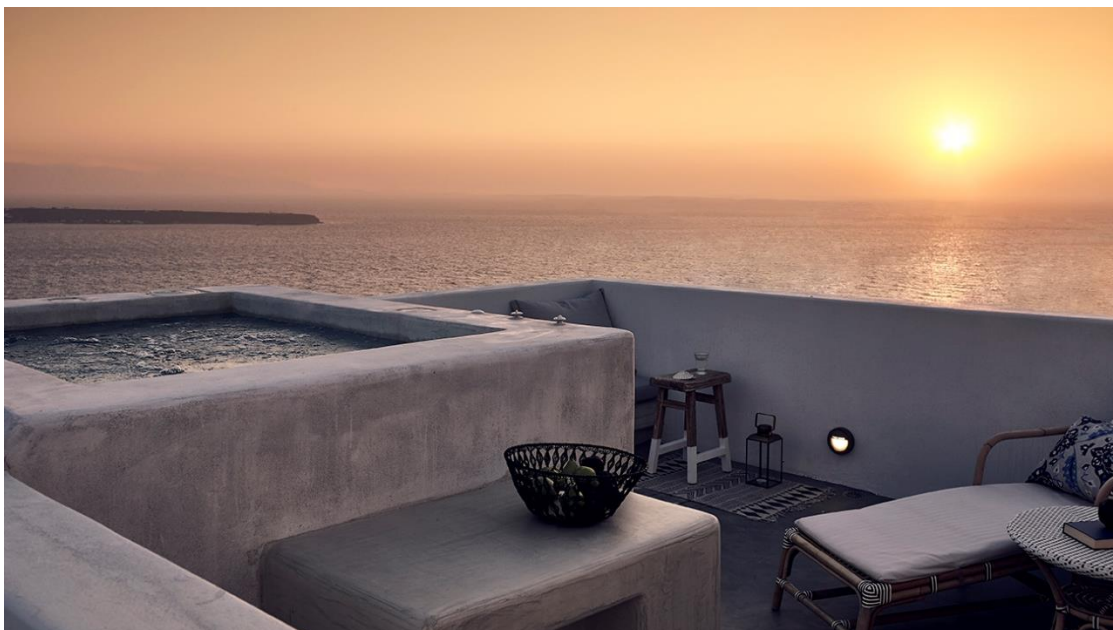

The designation as a “Boutique Hotel” was preceded by the recognition of the special architectural and decorative design concept of Santo Maris Oia Luxury Suites & Spa by a Special Group of Advisors of the Hellenic Chamber of Hotels, and the validation of the upgraded services that the hotel offers to its guests by an authorized inspection & control third-party body.

Santo Maris Oia Luxury Suites & Spa has managed to distinguish itself and stand out for its strong character only within the second year of its operation. By harmoniously combining different periods of traditional Cycladic architecture with modern and sophisticated decoration, a unique journey in time is offered to its guests. The multiculturally-inspired design sets an earthy and friendly tone and by encompassing discreet luxury details, it blends elements of locality and international aesthetics.

Placing emphasis on the personalized and high-quality service, **Santo Maris Oia Luxury Suites & Spa** has also been recognized for the spheric design of its services, which is reflected through all the aspects of its operation, thus composing a unique and complete stay experience.

The Chief Executive Officer of Metaxas Group of Companies, Mr. Andreas Metaxas mentioned:

"The certification of Santo Maris Oia Luxury Suites & Spa as the first Boutique Hotel in Greece brings great joy but also a great sense of responsibility for our Group. At first, joy, because our efforts to offer our guests a distinguished stay experience that combines the traditional with the modern, the "journey back in time" with the contemporary luxury, are recognized by the Hellenic Chamber of Hotels. At the same time, it is a great responsibility to maintain and further develop the high level of personalized service, offering our guests the authentic experience that they desire".
