

Santo Maris Oia Luxury Suites and Spa

SANTORINI, GREECE

At Santo Maris Oia, there's a world of relaxation and privacy, with the most breathtaking sunsets.

Close to the whitewashed village of Oia on the idyllic island of Santorini, Santo Maris Oia Luxury Suites and Spa is a haven for those who seek tranquillity, exquisite comfort, unique design, romantic ambience and first-class services in one of the world's best-loved destinations.

Thanks to its location overlooking the shimmering Aegean Sea, guests will enjoy the enchanting sunset of Oia. They can watch it in private, away from the crowds, as the sun sinks into the sea, turning from bright gold, to orange, and finally to magenta.

Guests can admire the traditional Cycladic architecture of the hotel, which has been elegantly combined with understatedly chic design. Or stroll around the neighbouring area and smell the beautiful aromas of the flowers and herbs in the gardens. They can splash around in one of five outdoor swimming pools and soak in the heated whirlpool bath on their private veranda while gazing out to sea.

For those with a taste for Greek food, the feast for the senses continues at Alios Ilios Restaurant, which loosely translates as 'the sun that rises and sets in the sea'. The incredible views from the veranda here are reason enough to visit, but add to that the delicious cuisine — based on Crete's rich culinary traditions and Santorini's sun-kissed produce — and the experience becomes truly unforgettable. The restaurant is the perfect spot in which to unwind and indulge.

For those wanting to pamper themselves, soothing treatments and therapies are available at the awarded Santo Maris Oia Luxury Spa. Here, guests have the chance to escape the rigours of their daily routine and rest their bodies in the beautiful, peaceful surroundings of the spa.

Not only is Santo Maris Oia Luxury Suites and Spa the ideal place for a holiday, it's also great for events; the spectacular scenery and the best in luxury accommodation make special occasions memorable.
